CONFERENCE PROGRAMME

The conference covers broad topics focusing on the main issues of creating, upgrading and expanding sectoral production.

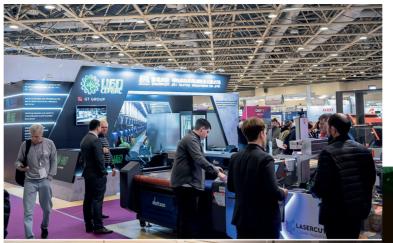

FORUM ON TECHNICAL TEXTILES: THE BASIS FOR SCIENTIFIC AND TECHNOLOGICAL DEVELOPMENT OF RUSSIA

The forum brings together leading experts to evaluate innovations, discuss the development prospects of this sector, advantages and economic feasibility of technical textile production in Russia, present projects and R&D, as well as highlight the problems that hinder the development of technical textile production.

SEWING TERRITORY INTERACTIVE SPACE

A new project that includes thematic masterclasses, business games, workshops and question-and-answer lectures from top representatives of the garment industry and the largest exhibitors.
